

QuiltArt is an international group of 19 textile artists , founded in 1985. The group's aim is to enhance the artistic value of quilting as a modern day art expression. The works of the members are valued as pieces of art in their own right. Quality and originality is paramount.. Their work is regularly exhibited in Europe and North America. Now on display at HighFiveArt.

Exhibitors at the QA-Traces exhibition are: Eszter Bornemisza (Hun), Jette Clover (B), Yael David-Cohen (UK), Fenella Davies (UK), Dirkje v.d. Horst-Beetsma (Ned.)
